Note:

<sup>1/</sup> Table 4 has been restructured (differences from previously published tables are due to revisions to 1998, 1999 and 2000 data).<sup>2/</sup> The actual Statutory Reserve Deposit held by commercial banks.<sup>3/</sup> From the third quarter 1998, loans and advances denominated in foreign currencies have been identified separately.<sup>4/</sup> From 1997, 'loans and advances' to the private sector excludes NBF Asset Management Bank's non-performing loans and advances.

From the third quarter 1998, 'loans and advances' to private individuals and private sector businesses have been identified separately.

<sup>5/</sup> Differences, if any, in total assets and liabilities are due to rounding off.
