Investing In Viti Bonds

Viti Bonds are a medium to long term investment option introduced by the Government of Fiji in 2012 to provide more investment options for all Fijians.

Viti Bond Features:

- The Reserve Bank of Fiji (RBF) is the registrar for Fijian Government Viti Bonds.
- The RBF ensures that all interest payments are made on time.
- Interest is paid out quarterly directly into the investors local commercial bank account.
- Interest earned is exempt from income tax.
- The minimum investment amount is \$1,000 and thereafter in multiples of \$1,000.
- The maximum investment amount is \$200,000 per investor per financial year.
- Viti Bond investors can sell all or part of their investment to RBF at any time before maturity.
- Viti Bond transfers are free from Government Stamp duty.

Who Can Invest?

All Fijians i.e. the general public including private individuals, pensioners, companies, registered trusts, clubs and societies, and even non-residents can invest in Viti Bonds.

Viti Bond Options

There are three Viti Bond investment options:
